**From Route 128**

[Note: Massachusetts, known for their road wisdom, has a second Rte. 128 exit numbered '15', located SOUTH of Boston. Make sure you are driving NORTH of I-90.]

Follow Route 128 North to Exit 15, labeled "Manchester/Essex". Turn left at ramp stop sign, crossing over Rte. 128 towards Essex. Follow this tree-lined road (School St.) for about 5 minutes into Essex, when you come to a stop sign. Turn left (West) onto Route 133. Go approximately a half-mile (past restaurants and antique shops). Leaving the Periwinkle Restaurant on your right, turn left (South) off Rte. 133 onto Route 22.

Approximately a half-mile along Rte. 22 you will see on your left a sign for 106 Western Avenue, "Gullwing Service Company dba Paul Russell and Company". (If you come upon the Essex Building Center on your left, go back.) The entryway passes over a small stream. Our front entrance is at the far right end of the complex, around the corner at the top of a small rise. We are about 4.5 miles from Route 128.

**Large trucks should stay on the lower level, as there is no turn-around space up the rise.**
